User Manual

Baseus Bowie WM02

True Wireless Earphones

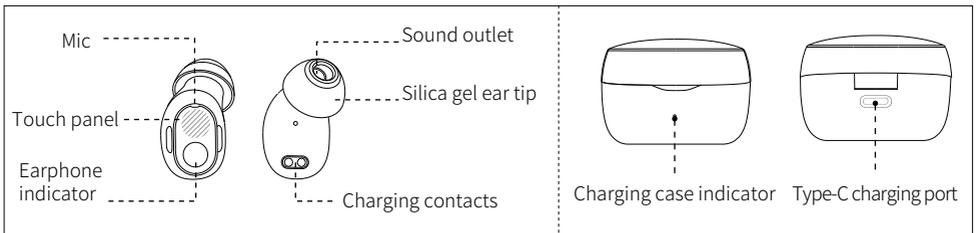

Please read this user manual carefully before use and keep it for future reference.

1. Connection Steps

<p>1 Startup Open the lid of the charging case, and take out the earphones. The earphones will automatically turn on.</p> 	<p>2 Wireless connection Turn on wireless mode on your phone to search and pair the earphones. Select device model: Baseus Bowie WM02</p> 
<p>3 Download the app and link the earphones to app.</p> 	<p>4 Power off Put the earbuds into the charging case and close the lid to power off the earphones.</p> 

2. Operation Instructions

- Music mode:**
- ▶| Play/Pause: Double tap the left or right earphone (L or R)
 - ◀ Previous song: Long-tap left earphone for 1.5s
 - ▶ Next song: Long-tap right earphone for 1.5s
 - 🗣️ Activate the voice assistant: Triple-tap left or right earphone (L or R)
- Call mode:**
- 📞 Answer/ hang up: Double-tap left or right earphone (L or R)
 - 📞 Reject a call: Long-tap left or right earphone (L or R) for 1.5s

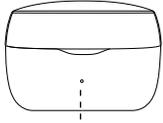

Switching to low latency mode:

- Method 1: Turn on/off the low latency mode in the Baseus app settings screen.
Method 2: Customize the low latency mode in the Baseus app gesture settings.

Restoring to default settings:

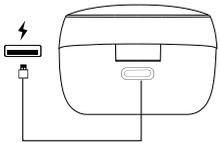

Turn off the wireless connection of the mobile phone. Open the lid of the charging case and take out the two earphones. Tap the left or right earphone three times. The white indicators of both earphones blink three times. At this time, the earphones are restored to default settings. Place the earphones in the charging case. Take them out again and turn on the mobile phone wireless connection. Then search for and connect to the earphones.

Charging power indicator:

Charging power indicator

- ⚡ The charging case is used to charge the earphones.
During charging: The red indicator of the charging case goes out after being steady on for 4s.
The earphone indicator lights up for 4s and goes out.
Fully charged: The indicator of the charging case/earphone is off.

- ⚡ The charging case is connected to the power supply for charging:
During charging: The white indicator of the charging case is breathing. The earphone indicator lights up for 4s and goes out.
Fully charged: The white indicator of the charging case is steady on.
The indicators of the earphones are off.

Note: When the battery level of the charging case is low, the red indicator goes off after blinking three times.

Tips for using the app:

1. The effective duration of searching function is about 35 hours. Please use the function for searching missing earphones during this period.
2. When the searching function is turned on in the app, the earphones will sound an alarm. Please ensure to use this function when not wearing your earbuds to avoid hearing damage.

Note: Go to Settings>App>App launch>Open manually “Baseus” app: Allow Auto-launch, Allow secondary launch and running in background.

3. Product safety information

Improper use of the product can easily cause damage to the product or may endanger personal and property safety.

1. The battery is included in the product. Please avoid exposing your product to the sunlight, electric heater or similar overheating environments. Do not store the product in high temperature, strong light and strong magnetic places.
2. Do not keep it in other harsh environments such as fire source. Intense physical actions such as knocking, throwing, trampling on and squeezing etc. shall be avoided. Do not use it in case of expansion.
3. The ambient temperature of product is 0~45°C.
4. Inappropriate use of the product against this user manual or ignoring warnings can easily cause damage the product or may endanger personal and property safety. Consumer shall bear for all the consequences, to which our company will not assume any legal liability.
5. Decomposition of this product by non-professionals is strictly prohibited.
6. Do not use a load (electrical appliances) that exceeds the output current of this product. A circuit protection mechanism is built-in to automatically stop working if loads exceed.
7. Please use a clean cotton cloth to clean the charging contacts of earphones regularly to prevent it from failing to charge or turn on due to missing cleaning for a long time.
8. Do not put this product in water (or washing machine). If water enters the product, let it dry naturally before using it.

4. Product Specifications

Name: Baseus True Wireless Earphones

Model No.: Baseus Bowie WM02

Material: ABS

Version: V5.3

Communication distance: 10m

Music playing time: 5 hours (volume at 70%)

Playtime with a charging case: 22~25 hours

Battery capacity: 40 mAh/0.148 Wh (earphones) 300 mAh/1.11 Wh (charging case)

Earphone rated input: DC5V=80 mA

Charging case rated input: DC5V=300 mA

Earphone rated consumption current : 8 mA

Charging case rated current consumption: 260 mA

Charging time: about 1.5 hours

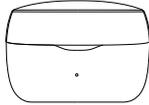

Frequency response range: 20 Hz-20 kHz

Charge interface: Type-C

Suitable for: Compatible with most of wireless devices

*The above data are measured by the Baseus laboratory, the actual use can be slightly different depending on the specific circumstances.
