Baseus Adaman Metal Digital Display Quick Charge Power Bank
20000mAh 30W (2021 Edition)

User Manual

Please read this user manual carefully before use and keep safe for future reference.

1. Product Specification

Name: Power Bank
Model No.: PPADM30
Battery Type: Polymer Lithium Battery
Capacity: 10000mAh/7.4V/74Wh
Rated Capacity: 12000mAh (5V-3A)
Energy Conversion Rate: ≥75%
Type-C Input: 5V-3A; 9V-3A; 12V-2.5A
Type-C Output: 5V-3A; 9V-3A; 12V-2.5A
USB1 Output: 5V-3A; 9V-2A; 15V-2A; 20V-1.5A
USB2 Output: 5V-2.4A
Total Output: 5V-3A
Product Size: 156.8*65.4*28.8mm
Product Weight: About 480g

2. Package Includes

- Power Bank *1
- User Manual * 1
- Warranty Card *1
- Type-C to Type-C Charging Cable*1

4. Product Description

This product is a three-output large-capacity fast charging power bank with digital display, which can simultaneously charge 3 devices. It features a digital display to indicate the battery status, a Type-C port with dual-way fast charging, a maximum 30W power output, and supports fast charging for iPad, iPhone, etc. It provides multiple fast charging protocols and has multiple built-in safety protection circuits such as over-current, over-voltage, over-heating, and short-circuit protection.

5. Use Environment

Working Temperature: Non-tropical area, 0°C to 35 °C

6. Icon Description

The 5-year icon refers to the "valid environment-friendly use period", not the product quality assurance period. Electronic products contain toxic and harmful substances such as lead, mercury and cadmium. The overuse of these products may lead to leakage or mutation of these toxic and harmful substances, cause environment pollution or serious damage to people and property. The term of "environment-friendly use period" means that all electronic products shall be used within this validly period. We are free of any responsibility against safety issues caused by using the product beyond its safe service life.

7. Safety Warning Instructions

Please read all instructions and warnings before using this product. Non-standard use will damage the product or personal safety.

- Due to the conversion efficiency, the rated output capacity is less than battery capacity.
- When you need to check the battery status, press the power button once and the LED indicator light will show you the current battery level. In the connectionless state, the power will automatically sleep after about 30 seconds.
- Please charge your power bank periodically (recommending at least once every 5 months) in order to maintain a long service life.
- Improper use of the product could easily cause damage to the product or may even endanger your personal safety.
- Consumer shall be liable for any personal and property damage resulted from their improper use against the user manual or ignoring the warning tips, to which our company will not bear any legal liability.
- Dismantling of this product by non-professionals is strictly prohibited.
- Use of household appliances or loads in excess of the output current of this product shall be avoided (no output due to circuit protection).
- Intense physical actions including knocking on, throwing, trampling on and intense squeezing, etc. shall be avoided.

8. Statement on Toxic and Hazardous Substances in Electronic Information Products

Part Description	Toxic or hazardous substances and elements					
	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent chromium (Cr-VI)	Polybrominated biphenyls (PBB)	Polybrominated diphenyl ethers (PBDE)
PCB	X	○	○	○	○	○
Electrode	○	○	○	○	○	○
Battery	X	○	○	○	○	○
Casing	○	○	○	○	○	○

This form is compiled in accordance with SJ/T 11364.

O: Indicates that contents of the toxic and hazardous substances in all homogeneous materials are below the limit requirements specified by GB/T 26572 standard.

X: Indicates that contents of the toxic and hazardous substances exceed the limit requirements specified by GB/T 26572 standard in at least one homogeneous material of the component.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

2

This equipment complies with the provisions of Directive 2012/19/EU and Directive 2006/66/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

It is hereby declared that PPADM30, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/30/EU, Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: www.baseus.com

Warning: Please follow the above safety instructions, otherwise it may cause fire, electric shock, damage or other injury.
